INTRODUCTION

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 02-01 ("CFD No. 02-01") of the County of Imperial (the "County") resulting from the sale of the \$2,486,600 Series 2002 Special Tax Bonds (the "2002 Bonds") in August 2002.

CFD No. 02-01 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public capital facilities and services. Specifically, CFD No. 02-01 is authorized to issue up to \$2,500,000 in bonds and has sold \$2,486,600 in bonds for purposes of financing the acquisition and construction of certain water, sewer, drainage and road related facilities necessary to meet increased demands placed on the County of Imperial as a result of the development of CFD No. 02-01 and the undergrounding and relocation of a portion of the South Alamo Canal.

CFD No. 02-01 is comprised of two zones: Zone 1 (Rice Property) and Zone 2 (Menvielle Property). All descriptions and explanations in this report refer to the entire CFD No. 02-01 unless otherwise indicated.

The current outstanding principal is equal to \$157,675 which is all allocated to property in Zone 1 and is based on the bond call discussed in Section I and principal paid through September 2, 2018. The Bonds are scheduled to be paid off in year 2041. Pursuant to the Rate and Method of Apportionment ("RMA"), the special tax shall be levied for a period not to exceed fifty years commencing with fiscal year 2002-2003. The RMA is included in Appendix C.

The bonded indebtedness of CFD No. 02-01 is both secured and repaid through the annual levy and collection of special taxes from Zones 1 and 2 subject to the tax within the community facilities district. In calculating the special tax liability for fiscal year 2019-2020, this report not only examines the financial obligations of the current fiscal year, but also analyzes the amount of new development, which has occurred within the boundaries of the community facilities district.

A map showing the property in CFD No. 02-01 is included in Appendix A.

This report is organized into the following sections:

Section I

Section I provides background regarding the payment from Imperial Irrigation District ("IID") received by the County and the subsequent bond call.

Section II

Section II provides an update of the development activity occurring within CFD No. 02-01. All new building permit activity is identified, including cumulative figures for "Developed Property."

Section III

Section III is provided to comply with Government Code Section 53411.

Section IV

Section IV analyzes the previous fiscal year's special tax levy and includes a discussion of delinquent special taxes.

Section V

Section V determines the financial obligations of CFD No. 02-01 for fiscal year 2019-2020.

Section VI

Section VI reviews the methodology used to apportion the special tax requirement to Developed Property and Undeveloped Property.

I IID PAYMENT AND BOND CALL

In 2014, as expected, the County received a payment in the amount of \$1,768,915 from the IID pursuant to the Joint Community Facilities Agreement (the "Agreement"). Based on the Agreement, \$1,615,104 in bonds were called on July 1, 2014. Of this amount, \$794,800 was used to call bonds for Zone 1 and \$820,304 was used to call bonds for Zone 2, resulting in an outstanding principal amount of \$173,675 for Zone 1 and \$0 for Zone 2. Since there is no principal outstanding for Zone 2, property in Zone 2 will no longer pay a special tax beginning in fiscal year 2014-2015. Please refer to Appendix B for a revised debt service schedule following the bond call.

II SPECIAL TAX CLASSIFICATIONS AND DEVELOPMENT UPDATE

A Special Tax Classifications

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment of the Special Tax. The Rate and Method of Apportionment defines four categories of property for Zone 1, namely “Developed Property,” “Taxable Public Property,” “Taxable Property Owner Association Property,” and “Undeveloped Property.”

Developed Property is distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued after January 1, 2000, and prior to January 1 of the prior fiscal year will be classified as Developed Property in the following fiscal year. For example, all property in Zone 1 of CFD No. 02-01 for which building permits were issued prior to January 1, 2019, will be classified as Developed Property in fiscal year 2019-2020. Hence, the development research discussed below focuses on the 12-month period ending December 31, 2018.

B Development Update

Background research was conducted to determine the amount and type of development activity that occurred during the previous fiscal year. Review of the County of Imperial’s building permit records indicated that no new building permits had been issued from January 1, 2018, to December 31, 2018, for taxable property within Zone 1 of CFD No. 02-01. A total of 124.64 acres in Zone 1 remain undeveloped.

Table 1 below lists the aggregate amount of Developed Property in Zone 1.

Table 1: Cumulative Developed Property

Zone	Designation	Number of Acres
1	Developed Property	14.30

III SB 165 REPORT

Government Code Section 53411 requires that on or after January 1, 2001, any local bond measure that is subject to voter approval that would provide for the sale of bonds by a local agency provide accountability measures that include the issuance of an annual report from the chief fiscal officer to the governing body of the local agency. This report should include a description of the purpose of the bond, the amount of funds collected and expended as well as the status of the authorized project. Therefore, the sections below cover the foregoing requirements for CFD No. 02-01 from June 30, 2018, through June 30, 2019.

A Purpose of the Bond

CFD No. 02-01 has sold \$2,486,600 in bonds in order to finance the acquisition and construction of certain water, sewer, drainage and road related facilities, and the undergrounding and relocation of a portion of the South Alamo Canal.

C Status of Authorized Projects

As of July 1, 2007, all construction intended to be financed through the Series 2002 bonds was essentially complete and all invoices relating to such construction have been paid.

IV FISCAL YEAR 2018-2019 SPECIAL TAX LEVY

The aggregate special tax levy for fiscal year 2018-2019 equaled \$12,148 for Zone 1. As of July 10, 2019, according to the County Tax Collector, \$2,386 in Fiscal Year 2018-2019 special taxes have not been paid, resulting in a delinquency rate of 19.64% for Zone 1. In addition, there were two (2) parcels that remain delinquent in their Fiscal Year 2017-2018 special taxes in the amount of \$1,195. Despite the delinquencies, the County has concluded that CFD No. 02-01 will be able to meet its remaining debt service obligations for Fiscal Year 2018-2019.

No special tax was levied in Zone 2 in fiscal year 2018-2019.

Pursuant to the Resolution Authorizing Issuance of Bonds, CFD No. 02-01 has covenanted to commence judicial foreclosure proceedings no later than October 1 on any delinquent parcel, provided that CFD No. 02-01 may defer foreclosure proceedings on any parcel if (a) the total special tax delinquency in CFD No. 02-01 for such fiscal year is less than 5% of total special tax levied in such fiscal year, and (b) if the amount in the Special Reserve Fund is equal to the reserve requirement.

CFD No. 02-01 plans to commence foreclosure proceedings against the owner of the two (2) delinquent parcels.

V FISCAL YEAR 2019-2020 SPECIAL TAX REQUIREMENT

For fiscal year 2019-2020, the special tax requirement is equal to \$12,084 and is calculated as follows:

Table 3: Fiscal Year 2019-2020 Special Tax Requirement

Zone 1 (Rice Property) FY 2019-2020 Obligations	
Interest Due March 1, 2020 ^[1]	\$3,938
Interest Due September 1, 2020 ^[1]	\$3,938
Principal Due September 1, 2020 ^[1]	\$4,000
Reserve Fund Levy ^[2]	\$0
Administrative Expenses ^[3]	\$208
Total Gross Special Tax Requirement	\$12,084

Notes:

1. Reflects debt service following bond call on July 1, 2014.
2. Levy to fund Reserve Fund is not necessary since fund balance is at or greater than the average annual debt service.
3. Levy for collection charge only since the County has sufficient funds on hand in the Administrative Expense Account for other expenses.

The components of the fiscal year 2019-2020 special tax requirement are shown graphically on the following page.

VI METHOD OF APPORTIONMENT

A Maximum Special Tax Rates

The amount of special taxes that CFD No. 02-01 may levy is strictly limited by the maximum special taxes set forth in the Rate and Method of Apportionment. The initial assigned special taxes for each classification of Developed Property for Zone 1 are specified in Section C of the Rate and Method of Apportionment.

B Apportionment of Special Taxes

The special tax that is apportioned to each parcel is determined through the application of Section D of the Rate and Method of Apportionment. Section D apportions the special tax requirement in four steps which prioritize the order in which Developed Property, Taxable Public Property, Taxable Property Owner Association Property, and Undeveloped Property are taxed.

The first step states that the special tax shall be levied proportionately on each Assessor's Parcel of Developed Property within Zone 1 at up to 100% of the applicable Assigned Special Tax as needed to satisfy the special tax requirement for such Zone. If the special taxes raised pursuant to the first step are less than the special tax requirement for such Zone, then the second step is applied. The second step states that the special tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property within such Zone at up to 100% of the Maximum Special Tax for Undeveloped Property.

The third and fourth steps are designed to accommodate changes in land use and are intended to be used only as a last resort. Since actual land uses have not substantially deviated from the original projections, these steps are not necessary.

Application of the maximum special taxes under the first step generates special tax revenues of \$8,280 from Developed Property in Zone 1, leaving \$3,804 to be levied against Undeveloped Property. Dividing this amount by the 124.64 acres of Undeveloped Property in Zone 1 results in a special tax of \$30.52 per acre.

The fiscal year 2019-2020 maximum and actual special taxes for Zone 1 are shown for Developed Property and Undeveloped Property in the following tables. The Special Tax Roll which lists the total special tax levy for each parcel is shown in Appendix D.

Table 4: Fiscal Year 2019-2020 Special Taxes, Zone 1 (Rice Property)

Description	Maximum Special Tax	FY 2019-2020 Special Tax Levy
Developed Property	\$579.00 per acre	\$579.00 per acre
Undeveloped Property	\$718.00 per acre	\$30.52 per acre

The following definition applies to this Section H:

"Outstanding Bonds" means all Previously Issued Bonds which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year.

"Previously Issued Bonds" means all CFD No. 02-01 Bonds that have been issued by CFD No. 02-01 prior to the date of prepayment.

The Special Tax obligation applicable to an Assessor's Parcel in CFD No. 02-01 may be prepaid and the obligation of the Assessor's Parcel to pay any Special Tax permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor's Parcel only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel. Prepayment must be made not less than 45 days prior to any redemption date for the CFD No. 02-01 Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
Total: equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

Paragraph No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, compute the Assigned Special Tax and the Backup Special Tax for the Assessor's Parcel to be prepaid. For Assessor's Parcels of Undeveloped Property compute the Assigned Special Tax and the Backup Special Tax for the Assessor's Parcel to be prepaid as though it were already designated as Developed Property.
3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the estimated Assigned Special Taxes for the entire Zone in which the Assessor's Parcel is located based on the Developed Property Special Taxes which could be charged on all expected development in such Zone at buildout, excluding any Assessor's Parcels in such Zone which have been prepaid; and

(b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the estimated Backup Special Taxes at buildout for the entire Zone in which the Assessor's Parcel is located, excluding any Assessor's Parcels in such Zone which have been prepaid.
4. (a) For Assessor's Parcels in Zone 1, multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Zone 1 Bonds to compute the amount of Outstanding Bonds to be retired and prepaid; or

(b) For Assessor's Parcels in Zone 2, multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Zone 2 Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "*Bond Redemption Amount*").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "*Redemption Premium*").

6. Compute the amount needed to pay interest on the Bond Redemption Amount to be redeemed from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
7. Determine the Special Taxes levied on the Assessor's Parcel in the current Fiscal Year which have not yet been paid.
8. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
9. Add the amounts computed pursuant to paragraphs 6 and 7 and subtract the amount computed pursuant to paragraph 8 (the "*Defeasance Amount*").
10. The administrative fees and expenses of CFD No. 02-01 are as calculated by the CFD Administrator and include the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 02-01 Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "*Administrative Fees and Expenses*").
11. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "*Reserve Fund Credit*"). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the reserve requirement.
12. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 9, and 10, less the amount computed pursuant to paragraph 11 (the "*Prepayment Amount*").

From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 9 and 11 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 10 shall be retained by CFD No. 02-01.

The Prepayment Amount may be sufficient to redeem other than a \$1,000 increment of CFD No. 02-01 Bonds. In such cases, the increment above \$1,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of CFD No. 02-01 Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 7 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid in accordance with this Section H, the Board shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of

Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax (including any Backup Special Tax) shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied on Taxable Property within CFD No. 02-01 both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

I. TERM OF SPECIAL TAX

The Special Tax shall be levied for a period not to exceed fifty years commencing with Fiscal Year 2002-03.
