INTRODUCTION

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 06-1 ("CFD No. 06-1") of the County of Imperial (the "County") resulting from the sale of the \$2,105,000 Series 2007 Special Tax Bonds (the "2007 Bonds") in March 2007.

CFD No. 06-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public capital facilities and services. Specifically, CFD No. 06-1 is authorized to issue up to \$2,500,000 in bonds. The proceeds of the Series 2007 Bonds are to be used for the acquisition and construction of certain water and sewer facilities, street improvements, public parks/retention basins and recreation facilities to be funded through development fees, which will serve the new construction in CFD No. 06-1. In addition, CFD No. 06-1 is authorized to levy the Special Tax B for the maintenance of parks and parkways. The current outstanding principal is equal to \$1,705,000 which is based on principal paid through September 2, 2020. The Bonds are scheduled to be paid off in year 2036. Pursuant to the Rate and Method of Apportionment ("RMA"), the Special Tax A shall be levied for the period necessary to fully satisfy the Special Tax Requirement for Facilities, but in no event shall it be levied after fiscal year 2046-2047. The Special Tax B shall be levied as long as necessary to meet the Special Tax Requirement for Services. The RMA is included in Appendix B.

The bonded indebtedness of CFD No. 06-1 is both secured and repaid through the annual levy and collection of the Special Tax A from all property subject to the tax within the community facilities district. In calculating the special tax liability for fiscal year 2021-2022, this report examines the financial obligations of the current fiscal year and analyzes the level of development within CFD No. 06-1.

A map showing the property in CFD No. 06-01 is included in Appendix A.

This report is organized into the following sections:

- **Section I:** Section I provides an update of the development status of property within CFD No. 06-1.
- **Section II:** Section II is provided to comply with Government Code Section 53411.
- **Section III:** Section III analyzes the previous fiscal year's special tax levy and includes a discussion of delinquent special taxes.
- **Section IV:** Section IV determines the Special Tax Requirement for Facilities of CFD No. 06-1 for fiscal year 2021-2022.
- **Section V:** Section V determines the Special Tax Requirement for Services of CFD No. 06-1 for fiscal year 2021-2022.

- **Section VI:** Section VI reviews the methodology used to apportion the Special Tax Requirement for Facilities and the Special Tax Requirement for Services between Developed and Undeveloped Property. Tables of the fiscal year 2021-2022 Special Tax A and Special Tax B for each classification of property are included.

I SPECIAL TAX CLASSIFICATIONS AND DEVELOPMENT UPDATE

A Special Tax Classifications

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment of the Special Tax. The Rate and Method of Apportionment defines four categories of property, namely “Developed Property,” “Taxable Property Owner Association Property,” “Taxable Public Property,” and “Undeveloped Property.” The category of Developed Property is in turn divided into seven separate special tax classifications based on the type of structure and residential floor area. Developed Property special tax classifications are shown in Table 1 below.

Table 1: Developed Property Classifications

Special Tax Class	Description	Residential Floor Area
Class 1	Residential Property	≥3,201 SF
Class 2	Residential Property	3,001-3,200 SF
Class 3	Residential Property	2,801-3,000 SF
Class 4	Residential Property	2,501-2,800 SF
Class 5	Residential Property	2,201-2,500 SF
Class 6	Residential Property	≤2,200 SF
Class 7	Non-Residential Property	N/A

Developed Property is distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued after January 1, 2005, and prior to March 1 of the previous fiscal year will be classified as Developed Property in the following fiscal year.

B Development Update

As of March 1, 2006, building permits had been issued for all 304 residential units in CFD No. 06-1.

Table 2: Fiscal Year 2021-2022 Cumulative Developed Property

Special Tax Class	Description	Residential Floor Area	Number of Units/Acres

Class 4	Residential Property	2,501-2,800 SF	34 units
Class 5	Residential Property	2,201-2,500 SF	94 units
Class 6	Residential Property	≤2,200 SF	56 units
Class 7	Non-Residential Property	N/A	0.00 acres

II SB 165 REPORT

Government Code Section 53411 requires that on or after January 1, 2001, any local bond measure that is subject to voter approval that would provide for the sale of bonds by a local agency provide accountability measures that include the issuance of an annual report from the chief fiscal officer to the governing body of the local agency. This report should include a description of the purpose of the bonds, the amount of funds collected and expended as well as the status of the authorized project. Therefore, the sections below cover the foregoing requirements for CFD No. 06-1 from May 31, 2020, through May 31, 2021.

A Purpose of the Bond

CFD No. 06-1 has sold \$2,105,000 in bonds in order to finance the acquisition and construction of certain parkway improvements, retention basin/public park improvements and water and sewer facilities, and land, rights-of-way, and easements necessary for such improvements.

III FISCAL YEAR 2020-2021 SPECIAL TAX LEVIES

A Special Tax A

The aggregate Special Tax A levy for fiscal year 2020-2021 equaled \$146,344. As of June 29, 2021, according to the County Tax Collector, \$261 in special taxes have not been paid, resulting in a delinquency rate of 0.18%.

Pursuant to the Bond Indenture, CFD No. 06-1 has covenanted to determine no later than September 15 of each year, whether or not any owners of property within CFD No. 06-1 are delinquent in the payment of their special taxes. If such delinquencies exist, CFD No. 06-1 is required to commence judicial foreclosure proceedings no later than November 1, provided that CFD No. 06-1 may defer foreclosure proceedings on any parcel if (a) the total special tax delinquency in CFD No. 06-1 for such fiscal year is less than 5% of total special tax levied in such fiscal year, and (b) the amount in the Reserve Fund is equal to the reserve requirement. Notwithstanding the above, if CFD No. 06-1 determines that any single property owner is delinquent in excess of \$2,000 in the payment of the special tax, then CFD No. 06-1 will diligently institute, prosecute, and pursue foreclosure proceedings against such property owner.

At this time, CFD No. 06-1 is not required to commence foreclosure proceedings.

B Special Tax B

The aggregate Special Tax B levy for fiscal year 2020-2021 equaled \$92,091. As of June 29, 2021, according to the County Tax Collector, \$162 in special taxes have not been paid, resulting in a delinquency rate of 0.18%.

IV FISCAL YEAR 2021-2022 SPECIAL TAX REQUIREMENT FOR FACILITIES

Pursuant to the Rate and Method of Apportionment, the Special Tax A may be levied in CFD No. 06-1 to: (i) pay for (a) debt service on all outstanding bonds, (b) periodic costs on bonds, including but not limited to, credit enhancement and rebate payments on bonds, (c) all or a portion of the Administrative Expenses as determined by the CFD Administrator, (d) pay directly for acquisition and construction of CFD No. 06-1 facilities eligible under the Act to the extent that the inclusion of such amount does not increase the Special Tax A levy on Undeveloped Property, (e) reasonably anticipated delinquent Special Taxes based on the delinquency rate for Special Taxes levied in the previous fiscal year; less (ii) a credit for funds available to reduce the annual Special Tax A levy, as determined by the CFD Administrator. For fiscal year 2021-2022, the Special Tax Requirement for Facilities equals \$146,857 as shown below. The Maximum Special Tax A and actual Special Tax A for each special tax class in CFD No. 06-1 for fiscal year 2021-2022 is shown in Section VI. The Special Tax Roll, which lists the actual Special Tax A levied against each Assessor's Parcel, is included as Appendix C.

Figure 2: Fiscal Year 2021-2022 Special Tax Requirement for Services

Total Fiscal Year 2021-2022 Special Tax Requirement for Services: \$93,658

VI METHOD OF APPORTIONMENT

A Maximum Special Taxes

The amount of special taxes that CFD No. 06-1 may levy is strictly limited by the maximum special taxes set forth in the Rate and Method of Apportionment. The maximum special tax for Undeveloped Property and the assigned special tax for each classification of Developed Property are specified in Section C of the Rate and Method of Apportionment.¹

B Apportionment of Special Tax A

Section D.1 of the Rate and Method of Apportionment for CFD No. 06-1 describes the steps in which Assigned Special Tax A shall be levied each fiscal year in order to satisfy the Special Tax Requirement for Facilities. Pursuant to Section C.1.b.(2) of the Rate and Method of Apportionment, the Assigned Special Tax A escalates by 2% each fiscal year.

The first step states that the Board shall levy the Special Tax A Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the Assigned Special Tax A. If the sum of the amount collected in step one is insufficient to satisfy the Special Tax Requirement for Facilities, then the second step is applied. The second step states that the Board shall proportionately levy the Special Tax A on each Assessor's Parcel of Undeveloped Property up to the Maximum Special Tax A applicable to each Assessor's Parcel of Undeveloped Property to satisfy the Special Tax Requirement for Facilities. The third and fourth steps are designed to accommodate changes in land use and are intended to be used only as a last resort. Since actual land uses have not substantially deviated from the original projections, these steps are not necessary.

Application of the maximum special taxes under the first step generates special tax revenues of \$188,371 from Developed Property, which is sufficient to meet the Special Tax Requirement for Facilities for fiscal year 2021-2022 as outlined in Section IV. Therefore, the fiscal year 2021-2022 special tax for each parcel of Developed Property is equal to 77.96% of the assigned special tax. The fiscal year 2021-2022 maximum and actual special taxes are shown for each classification of Developed Property and Undeveloped Property in the following table and graphically on the following page.

¹ Technically, Section C states that the Maximum Special Tax A for a parcel of Developed Property is equal to the greater of (i) the "Backup Special Tax A" or (ii) the Assigned Special Tax A. The Backup Special Tax A was established for the contingency of a shortfall in revenues resulting from significant changes in development densities. The contingency for which the Backup Special Tax A was established does not exist and hence, all discussion of Maximum Special Tax A for Developed Property focuses on the Assigned Special Tax A.

**Table 6: Fiscal Year 2021-2022 Special Tax A
for Developed Property and Undeveloped Property**

Special Tax Class	Description	Residential Floor Area	FY 2021-2022 Assigned Special Tax A	FY 2021-2022 Actual Special Tax A
Class 1	Residential Property	≥3,201 SF	\$734.85 per unit	\$572.90 per unit
Class 2	Residential Property	3,001-3,200 SF	\$709.28 per unit	\$552.96 per unit
Class 3	Residential Property	2,801-3,000 SF	\$672.93 per unit	\$524.64 per unit
Class 4	Residential Property	2,501-2,800 SF	\$644.67 per unit	\$502.60 per unit
Class 5	Residential Property	2,201-2,500 SF	\$569.31 per unit	\$443.84 per unit
Class 6	Residential Property	≤2,200 SF	\$507.41 per unit	\$395.58 per unit
Class 7	Non-Residential Property	N/A	\$5,302.73 per acre	\$0.00 per acre
N/A	Undeveloped Property	N/A	\$5,302.73 per acre	\$0.00 per acre

Figure 3: Fiscal Year 2021-2022 Special Tax Levy, Special Tax A

C Apportionment of Special Tax B

Section D.2 of the Rate and Method of Apportionment for CFD No. 06-1 describes the steps in which the Maximum Special Tax B shall be levied each fiscal year in order to satisfy the Special Tax Requirement for Services. Pursuant to Section C.2.b.(2) of the Rate and Method of Apportionment, the Maximum Special Tax B escalates by the Consumer Price Index with a maximum annual increase of 5% and a minimum annual increase of 2% each fiscal year. For fiscal year 2021-2022, the annual increase in the Consumer Price Index was 1.70%. Therefore, the Maximum Special Tax B escalates by 2.00%.

The first step states that the Special Tax B shall be proportionately levied against each Assessor’s Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax B. If the special taxes raised pursuant to the first step are less than the Special Tax Requirement for Services, then the second step is applied. The second step states that the Special Tax B shall be levied against each Assessor’s Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax B for Undeveloped Property.

Application of the Maximum Special Tax B under the first step generates special tax revenues of \$110,026 from Developed Property, which is sufficient to meet the Special Tax Requirement for Services for fiscal year 2021-2022 as outlined in Section V. Therefore, the fiscal year 2021-2022 special tax for each parcel of Developed Property is equal to 85.12% of the maximum special tax. The fiscal year 2021-2022 Maximum and Actual Special Tax B are shown for each classification of Developed Property and Undeveloped Property in the following table and graphically below. The Special Tax Roll, which lists the total special tax levy for each parcel is shown in Appendix C.

for Developed Property and Undeveloped Property**

2. The result of paragraph 1 above shall be divided by the total Acreage of Taxable Property excluding Non-Residential Property, Taxable Public Property and Taxable Property Owner Association Property which is ultimately expected to exist in such changed or modified Final Map area, as reasonably determined by the CFD Administrator.

No Special Tax B shall be levied on an Assessor's Parcel classified as Property Owner Association Property or Public Property.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

1. Special Tax A

Commencing with Fiscal Year 2006-2007 and for each following Fiscal Year, the Board shall determine the Special Tax Requirement for Facilities and shall levy the Special Tax A as follows:

First: The Special Tax A shall be Proportionately levied on each Assessor's Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax A as needed to satisfy the Special Tax Requirement for Facilities;

Second: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first step has been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax A for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax A Requirement for Facilities after the first two steps have been completed, then the levy of the Special Tax A on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax A shall be increased in equal percentages from the Assigned Special Tax A up to the Maximum Special Tax A for each such Assessor's Parcel;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first three steps have been completed, then the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property and Taxable Public Property at up to the Maximum Special Tax A for Taxable Property Owner Association Property or Taxable Public Property.

2. Special Tax B

Commencing with Fiscal Year 2006-2007 and for each following Fiscal Year, the Board shall determine the Special Tax Requirement for Services and shall levy the Special Tax B as follows:

First: The Special Tax B shall be Proportionately levied on each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax B as needed to satisfy the Special Tax Requirement for Services;

Second: If additional monies are needed to satisfy the Special Tax Requirement for Services after the first step has been completed, the Special Tax B shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax B for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of residential property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 06-1.

E. EXEMPTIONS

1. Special Tax A

No Special Tax A shall be levied on up to 31.57 Acres of Public Property and Property Owner Association Property. Tax-exempt status will be assigned by the CFD Administrator in the chronological order in which property becomes Public Property or Property Owner Association Property. However, should an Assessor's Parcel no longer be classified as Public Property or Property Owner Association Property its tax-exempt status will be revoked.

Public Property or Property Owner Association Property that is not exempt from Special Tax A under this section shall be subject to the levy of the Special Tax A and shall be taxed Proportionately as part of the fourth step in Section D.1 above, at up to 100% of the applicable Maximum Special Tax A for Taxable Public Property and/or Taxable Property Owner Association Property.

2. Special Tax B

No Special Tax B shall be levied on Public Property and Property Owner Association Property.

F. REVIEW/APPEAL COMMITTEE

The Board shall establish as part of the proceedings and administration of CFD No. 06-1 a special three-member Review/Appeal Committee. Any landowner or resident who feels that the amount of the Special Tax levied on their Assessor's Parcel is in error may file a notice with the Review/Appeal Committee appealing the amount of the Special Tax levied on such Assessor's Parcel. The Review/Appeal Committee shall interpret this Rate and Method of Apportionment and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals, as herein specified. The decision of the Review/Appeal Committee shall be final and binding as to all persons.

G. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 06-1 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. PREPAYMENT OF SPECIAL TAX A

The following definition applies to this Section H:

"CFD Public Facilities Cost" means either \$1.4 million in 2006 dollars, which shall increase by the Construction Inflation Index on July 1, 2007, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 06-1 under the authorized bonding program for CFD No. 06-1, or (ii) shall be determined by the Board concurrently with a covenant that it will not issue any more Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D.

"Construction Fund" means an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

"Construction Inflation Index" means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

"Future Facilities Costs" means the CFD Public Facilities Cost minus (i) public facility costs previously paid from the Construction Fund, (ii) moneys currently on deposit in the Construction Fund, and (iii) moneys currently on deposit in an escrow fund that are expected to be available to finance facilities costs.

"Outstanding Bonds" means all Previously Issued Bonds which are deemed to be outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

"Previously Issued Bonds" means all Bonds that have been issued by CFD No. 06-1 prior to the date of prepayment.

1. Prepayment in Full

The obligation of an Assessor's Parcel to pay the Special Tax A may be prepaid and permanently satisfied as described herein; provided that a prepayment may be made only for Assessor's Parcels of Developed Property or Undeveloped Property for which a building permit has been issued, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax A obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel. The CFD Administrator may charge a reasonable fee for providing this service. Prepayment must be made not less than 45 days prior to the next occurring date that notice of redemption of Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
less	<u>Capitalized Interest Credit</u>
Total: equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

Paragraph No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, compute the Assigned Special Tax A and Backup Special Tax A applicable for the Assessor's Parcel to be prepaid. For Assessor's Parcels of Undeveloped Property (for which a building permit has been issued) to be prepaid, compute the Assigned Special Tax A and Backup Special Tax A for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.

3. (a) Divide the Assigned Special Tax A computed pursuant to paragraph 2 by the total estimated Assigned Special Tax A for the entire CFD No. 06-1 based on the Developed Property Special Taxes which could be charged in the current Fiscal Year on all expected development through buildout of CFD No. 06-1, excluding any Assessor's Parcels which have been prepaid, and

(b) Divide the Backup Special Tax A computed pursuant to paragraph 2 by the estimated Backup Special Taxes at buildout of CFD No. 06-1 using the Backup Special Tax A amount for the current Fiscal Year, excluding any Assessor's Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Tax A levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount (as defined below) less the Future Facilities Amount and the Administrative Fees and Expenses (as defined below) from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").
12. Verify the administrative fees and expenses of CFD No. 06-1, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").

13. The reserve fund credit ("Reserve Fund Credit") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the "Capitalized Interest Credit").
15. The Special Tax A prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "Prepayment Amount").
16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by CFD No. 06-1.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment (or such other increment as authorized under the Indenture) of Bonds. In such cases, the increment above \$5,000 (or such other increment as authorized under the Indenture), or integral multiple thereof, will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax A levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax A levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the Board shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Tax A and the release of the Special Tax A lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax A shall cease.

Notwithstanding the foregoing, no Special Tax A prepayment shall be allowed unless the amount of Maximum Special Tax A that may be levied on Taxable Property within CFD No. 06-1 both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

The Special Tax B may not be prepaid.

2. **Prepayment in Part**

The Special Tax A on an Assessor's Parcel may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E - A) \times F + A$$

These terms have the following meaning:

- PP = the partial prepayment
- P_E = the Prepayment Amount calculated according to Section H.1
- F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax A
- A = the Administration Fees and Expenses from Section H.1

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of such owner's intent to partially prepay the Special Tax A and the percentage by which the Special Tax A shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax A for an Assessor's Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the County shall (i) distribute the funds remitted to it according to Section H.1, and (ii) indicate in the records of CFD No. 06-1 that there has been a partial prepayment of the Special Tax A and that a portion of the Special Tax A with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax A, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

I. **TERM OF SPECIAL TAX**

The Special Tax A shall be levied for the period necessary to fully satisfy the Special Tax Requirement for Facilities, but in no event shall it be levied after Fiscal Year 2046-47. The Special Tax B shall be levied as long as necessary to meet the Special Tax Requirement for Services.
