INTRODUCTION AND OVERVIEW

Welcome to Imperial County

Imperial County is home to approximately 180,000 residents which live and work within its seven cities (Brawley, Calexico, Calipatria, El Centro, Holtville, Imperial and Westmorland) and eight unincorporated communities (Bombay Beach, Heber, Niland, Ocotillo, Palo Verde, Salton City, Seeley and Winterhaven). The county was the last to be established in California in 1907; however, it is the ninth largest California County encompassing 4,482 square miles.

We have a rich agricultural heritage, which includes the production of half of our nation's winter vegetables, an extensive amount of renewable resources, including geothermal, wind, and solar, a wide-range of cultural and outdoor recreational activities with hundreds of points of interest such as the Imperial Sand Dunes Recreation Area, a magnet for off-road enthusiasts, and the Sonny Bono Salton Sea National Wildlife Refuge, a renowned birding site, and a lively population with frequent family-oriented community events.

Vision:

Building opportunity by leading California's renewable energy future while remaining true to our rich agricultural heritage.

Board of Supervisors
County of Imperial
940 Main Street
El Centro, CA 92243

Honorable Board Members:

After careful review, presented before your Board, is the Fiscal Year 2025-2026 County of Imperial Final Budget. This budget was completed in accordance with the County Budget Act ("Act") (California Government Code §29000-29144 and 30200). The Act requires counties to have in place a balanced recommended budget by June 30th and an adopted annual budget no later than October 2nd.

This budget represents \$763 million across all funds, which reflects a 2% increase from \$749 million last fiscal year. Broken out by budget function, the largest overall County appropriation is \$234.4 million or 30.7% for Public Assistance. A total of \$202.4 million or 26.5% is allocated to Health and Sanitation, \$143 million or 18.7% to General Government and \$141 million or 18.4% to Public Protection.

General Fund discretionary spending in the Final Budget is \$142.6 million, which reflects a net increase of \$9.7 million or 7.3% from the prior year's adopted budget. The largest allocation within the General Fund is \$98.5 million or 69% for Public Protection. General Government has an allocation of \$28.4 million or 20% of the overall General Fund Budget. Public Assistance has an allocation of \$13.2 million or 9.3% of the overall General Fund budget which includes a \$8.9 million contribution to the Department of Social Services.

This year, a total of \$1.2 million from carryover fund balance will be used to balance the FY 2025-2026 Final Budget.

Similarly, as last fiscal year, General Fund expenditure was kept very close to the same level. As in prior years, departments had the opportunity to submit augmentation requests for presentation to your Board and the public during the budget hearings presented on August 26, 2025. The Final Budget includes those requests approved by your Board during said hearings.

The final budget includes a total of 2,658.75 funded full-time positions, which reflects an increase of 17 positions from the previous fiscal year. A total of 408 positions are vacant funded, which include 88 General Fund vacant funded positions.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Additionally, a one-time contribution from Local Assistance and Tribal Consistency Fund (LATCF) in the total amount of \$2,896,649 is included in our Fire Department and Office of Emergency Services to balance the budgets.

Requested Action:

1. Board adopt the Amended FY 2025-2026 Recommended Budget as presented.
2. Board adopt the FY 2025-2026 Authorized Allocation and Vacancy Report dated August 26, 2025.
3. Approve Resolution Adopting Final Budget for FY 2025-2026.

Respectfully submitted,

Dr. Kathleen Lang
County Executive Officer

Cooperative Extension

Description

Cooperative Extension is a collaborative partnership between Imperial County, The University of California Division of Agriculture and Natural Resources (UCANR) and the United States Department of Agriculture (USDA). It is the statewide, off-campus arm of the UCANR. Programs within the Cooperative Extension department include agriculture (Agronomy, Irrigation and Water Management, Livestock, and Weed Science) and youth, family, and communities (YFC) which includes CalFresh Healthy Living and 4H club programs. Information is developed, tested, and presented on these subjects by the department's advisors, research scientists, community educators and their Staff Research Associate (SRA), and lab and field assistants.

Financial resources to the Cooperative Extension are allocated from the above three entities. Additional sources of funding come from individuals, private and public groups, grants and gifts. This structure is unique among other County departments. Imperial County, a critical component of the Extension model, provides clerical staff, office space and operational expenses to help support this vital program which ultimately provides services to the citizens of Imperial County.
